# Rule of the Month

**Provisional Ball:** Rule 18.1 - 18.2 - 18.3a - 18.3c...5 parts to this ruling:

1. Announcing Play of Provisional Ball
2. Playing Provisional Ball More than Once
3. When Allowed
4. When Provisional Ball must be
5. When Provisional Becomes the Ball in Play

There is a mis-understanding: after you struck the ball and you go and look it, if you were unable to locate your ball, you can go back to where you originally struck the ball and announce Provisional Ball and hit another ball. NOT

Once you struck your ball and you feel it is lost, out of bounds, in a penalty area, etc. You announce Provisional and you can hit another ball under penalty of **stroke and distance**.

**Note:** *Once you put another ball in play under penalty of stroke and distance, your original ball is no longer in play and must not be played. Penalty of stroke and distance is one stroke.*
