VWGC NEWSLETTER

Hello fellow golfers,

It has been a pleasure doing the VWGC newsletter these past 4 years. I am looking for someone to take over the newsletter next year. You can create your own format and style.

If you have any interest in doing this next year (2027), please feel free to reach out to me with questions.

Thank you,

Eileen Larkins

Golf Etiquette Basics

Keep Up: Maintain the pace of the group in front of you, not just ahead of the group behind.

Limit Practice Swings: Take one or two, not five.

Safety First ("Fore!"): If your ball heads toward another player or group, loudly shout "Fore!" immediately.

Wait to Hit: Never hit your ball until the players in front are well out of range.

Silence and Stillness: Try not to move, talk, or stand directly behind or in front of a player when they are swinging or putting.

Be ready to hit when it's your turn. Without being distracting, assess what club you will be hitting, while someone else is playing their shot, so that you will be ready to hit when it's your turn.

Typically, the person farthest away from the hole hits first. It is important to keep in mind pace of play, so also be ready to hit and/or play ready golf.

It is a good idea to announce your score when leaving the green and/or before you get to the next hole.
