Important

Vista Valencia has implemented a

“No-Show / Short-Show Policy” that applies to our “Tuesday Play”

A No Show / Short Show Penalty fee will be charged for no-shows and or short shows to encourage timely attendance to our golf club.

A short show is a reservation that was booked for a number of players, and less than that number showed up to play. For example a group reservation for 4 players and only 3 players show up, that reservation is subject to a short show penalty. If we are able to fill that open slot, there will not be a penalty, but if it goes unutilized, the party who made the reservation is subject to the short show penalty. We are holding your tee time for you and expect you to show up with the number of players you reserved or expect you to cancel in advance online or in writing 24 hours in advance so we can let someone else have that tee time.

24 Hour Advance Notice to Cancel a Reservation

Not cancelling your reservation online and or emailing general manager (gm@vistavalenciagc.com) *24 hours in advance in writing* will be subject to a **No Show / Short Show Penalty Fee of \$20.00 per player**. If you show up with fewer players than you reserved, and we are able to fill that slot with a stand by player, we will waive the Short Show Penalty Fee for that slot. Booking for 2, 3, or 5 players and showing up with less players is subject to the short show penalty.

Our goal is we want Members and Customers to book reservations in advance. We are going to hold that time for you and not sell it. We are also not going to over book our tee sheet. What we expect is for you plan and if you need to cancel, you notify us in advance so we can open up that tee time for someone else who wants to play. Thank you for your understanding and continued support!
